## SAYS LEMERT THREW HIM OVER A STOVE

Assault Case Against Cancer Medical Man Heard in Police Court Wednesday.

Charged with assaulting Charles Antrup, of River Park, Herbert B. Lemert, proprietor of the Cancer Medical Co., was tried in court Wednesday morning. Judgment will be held up until April 15. Both sides will have the opportunity to enter further evidence.

Blackened eyes, a blood stained shirt and marks of bruises and blows were exhibited by Antrup. The alleged attack occurred when Antrup made an effort to remove goods from the Lemert house, which Antrup had been renting. Antrup was recently divorced from his wife and a slight difficulty took place over the ownership of certain of the household goods, it is said. He told the court that he was trying to take away a stove, which he claimed as his own, when Lemert assaulted him. He accused the latter of throwing him over the stove and striking him several times in the face. The defense denied the statements, and alleged the trouble arose over a small dump cart. Several witnesses testified.

## MISTAKES OF YOUTH.

Subject of Talk at High School Assembly.

"The Mistakes of Youth," was the topic of the talk given by Rev. James L. Gardiner, pastor of St. Paul's Methodist Episcopal Memorial church, to the students of the high school at assembly Wednesday morning. Mr. Gardiner began with the startling remark that the two places he met the greatest number of young men was in the school and in the penitentiary. The reason for their being in the latter place he said was the lack of purpose in their lives. Waste of time and the neglect of opportunity were other great mistakes the speaker pointed out.

## OPENS PASSION SERVICES

Rev. Henry L. Davis Delivers Sermon at Brethren Church.

At the Passion week services Tuesday evening at the First Brethren church, Rev. Henry L. Davis, pastor of the First M. E. church, delivered a sermon on the "Betrayal of Jesus." He warned his listeners eloquently, not to trust in themselves as did Judas Iscariot, but to serve God earnestly. The sins of Judas, he said, were covetousness and false ambition. He gave a number of vivid illustrations.

Charles Weidner will speak this evening at the church, presenting the trial of Jesus from a legal standpoint. Thursday evening Rev. F. K. Dougherty of Grace M. E. church will speak and Friday evening Rev. Mr. Ford of River Park.

## KALEY CIVIC CLUB NAMES OFFICERS AND HEARS ANNUAL REPORT

New officers were elected and the first annual report, covering the first year of the organization read, at a meeting of the Kaley school civic club on Tuesday evening. The following were the officers selected: President, A. T. Tyner; vice presidents, Edward Castle, Arnold Byer, Frank Lassu, Theodore Huff and Roy Schroder; secretary, Benjamin J. Henderson, and treasurer, Stewart Reynolds.

The past year has been an unusually active one, even in the history of the social centers throughout the city. Seven petitions have been prepared by the members and of the seven five have been favorably acted upon. The five were for an art light in front of the school, an arc light at Linden and Kaley sts., a policeman in Kaley park, a curb and walk on Meade st., and the appointment of a police woman.

A total of fifteen meetings were held during the year, which began on April 5, 1913, with the organization of the club and which closed Tuesday night. The total attendance at these meetings was 3,938, or an average of 266 at a meeting. The club has been greatly aided in the work of the past year by the co-operation of the teachers in the Kaley school and of Miss Evelyn Stodard, the principal, in particular. The club has shown a spirit of co-operation and aggressiveness that augurs well for its success during the coming year.

The following are the outgoing officers who were complimented upon their success in launching and guiding the club during the first year of its existence: President, David Hummel; secretary, Dewey E. Commers, and treasurer, George E. Wise. The club holds meeting on the first and third Tuesdays of each month. The next will be on April 20.

This past quarter, he spoke of, as the one when it was particularly hard to maintain a high standard of work because of the absences necessitated by bad weather and sickness.
